THE MOST HOLY TRINITY

**Glory be to the Father
And to the Son
And to the Holy Spirit
As it was in the beginning, is now and ever shall be,
World without end. AMEN**

May 26, 2024

As a Catholic, the doctrine of the Holy Trinity shapes our understanding of God. At the core is the recognition that God exists eternally in three persons: there is one Person of the Father; another of the Son; and another of the Holy Spirit. This unity of the Godhead is something that we cannot fully comprehend with our human minds, but a mystery that we must accept and embrace as essential to our faith. We must not think of God the Father as having come first and the Son a little later; and the Holy Spirit later still. All three are equally eternal, possessing one Divine nature.

One of the most striking aspects of the Holy Trinity is the unity that exists between the Father, the Son, and the Holy Spirit. Despite being distinct persons, they are united in their nature and purpose. This unity flows naturally from the perfect love that exists within the Godhead.

**The Godhead of the Father, of the Son and the Holy Spirit is all one;
the Glory equal, the Majesty coeternal.**

Consider this quote from [St. Bonaventure](#):

The Trinity is like a water wheel with three buckets on it. Same water flows through all three buckets, shows the unity of three persons in Trinity; the flowing water is love, what God is; God is flowing love.

This image of the Trinity includes the dynamic nature and that one person flows endlessly into another.

and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit.
